

Shared Booths:

Two booth spaces will be designated for shared booths. They will be granted on a first come, first serve basis. These will be in service of artists whose bodies of work will not fill a booth space. Up to 4 artists may share a booth. Sales commissions will be paid to PAA by each individual artist in the group.

The booth prices as listed on the application are to be divided among the group. The group will be required to have a designated point person to be responsible for submitting the application with one check covering the booth amount. Each participating artist in the group needs to make arrangements with the designated point person to pay their portion. The point person will also be responsible for organizing and communicating all logistics involving the group including the collection of each artist's portion of the cost, along with all logistics involving set up, take down, and sitting the booth.

Booth Assignments: A map of the park is provided with the registration form. Spaces along Fourth Street will face the Farmer's Market on Saturday. Artists may indicate their top 3 booth choices on the registration form. Every effort will be made to place artists in their preferred space. No space is guaranteed.
Current members may reserve a specific location until June 30th, 2018.

Booths will be assigned in the following priority:

1st. Active PAA members who participated last year, paid dues by March 31st, registration received by March 31st, 2018.

2nd. Associate PAA members who participated last year, paid dues by March 31st, 2018, registration received by March 31st, 2018.

3rd, Active PAA members who paid dues after March 31st, or did not participate in Art in the Park last year.

4th, Associate PAA members who paid dues after March 31 or did not participate in Art in the Park last year.

5th. Non members.
