March 6th General Meeting Presenter; Several PAA Members have expressed interest in an introductory session on how to start a business. Bob Phillips, our Treasurer, will conduct an informal presentation and Q&A on this topic at our March 2nd Membership Meeting. Bob has an MBA from Santa Clara University and has spent 40 years as an executive in the non-profit sector. For 15 of those years he was a business development consultant helping physicians and hospitals start new business ventures. Bob will discuss some of the characteristics of successful entrepreneurs, attitudinal barriers to moving forward, and practical aspects of starting and operating a business. This is NOT a session about how to sell or market artwork. **This Membership meeting will also include time for an art critique so Members, please bring some art to share.**

Reminder to all members: On February 9th the PAA Board sent out 3 **seperate emails**. One was about your participation in Open Studios. The next was about your participation in Art in the Park. And the last was about donating items to PAA for use in events like Art in the Park. Only 13 members have responded. **We would appreciate it if you would please go back and check your email and respond to each email. Your input is very valuable to the operation and existence of PAA.**

Please welcome Virginia-Stevens Johnson as our incoming Treasurer. She will be taking over the job when Bob Phillips retires in May.

Members News:

Hi, I'm a new member to PAA and excited to tell you about the project I'm working on. A conceptual art piece around the #metoo movement where I will be using used tubes of lipstick dipped in epoxy for the piece. I currently have 122 lipsticks but I'll be using over 800 tubes.

If any members of PAA would like to contribute their used lipsticks (any condition from empty to never used), I can pick them up from the member at an agreed upon place, at the next monthly general meeting, or they can be sent to me in a bubble mailer. My contact info is below. Along with a link to my website page describing the project in more depth.
