Message from our President Elaine Larson

Dear PAA Members and Friends,

We hope you were not among those severely impacted by the horrendous wildfires still raging in Sonoma County and other Northern California counties. If you were, our hearts and thoughts are with you. Please let us know how PAA can help you. Creative Sonoma (creativesonoma.org) has started lists of things creatives need and things creatives can offer on their website. If your home, art space, and studio are intact, please be generous in your offerings at this time of unprecedented devastation in our county.

Be safe,

Elaine

2017 ART in the PARK

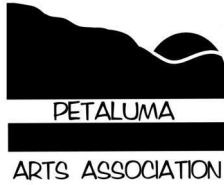

Art in the Park was very successful. When Bob Phillips returns from vacation on 10/24 we will have the final totals of all commissions and fees to present at the November meeting.

We had a kids' project table that was hosted by Pat Marshall. Kids made paper sculptures and small paintings with stands. We could use more volunteers to man this booth next year!
