## Letter from the president

Dear Members,

Our 60th year is rapidly moving on and I want to reiterate the opportunities mentioned elsewhere in this newsletter. Be sure to have a picture and dimensions of your artwork that you are donating for the Art in the Park Raffle to Mary Bales by August 28. And while you are doing that, if you are not participating in Art in the Park, please consider telling her you will take a short slot in the Information Booth that weekend. Unless you have made other arrangements, please deliver donated art to Copperfield's on September 1 between 10am and noon. Maria Lewis will again be setting up a beautiful window display during that time, so the earlier you come, the easier it will be for her to design the window.

Please let all of you email, Facebook, Instagram, etc. friends know about Art in the Park September 9-10. We can't have too much publicity, especially grass roots. Maria Lewis is once again doing a stellar job chairing the show, and it is looking to be a great one!

We have our first show at the Historical Museum November 16 - December 16. If you are thinking of participating you must let Marilyn Dizikes know by August 31. This is a unique venue and advance planning is necessary to make the best use of the display spaces available,

There is room for 3-D art as well as wall art. Marilyn and her team are planning a great reception for the show on November 17, so mark your calendars. Please let Marilyn know if you have any leads or contacts for a local winery that might be willing to donate or discount white wine for the reception.

On December 9-10 we will be having our last show of the year, the 3rd Annual Holiday Arts and Crafts Show and Sale at the Petaluma Community Center. I already have two artists lined up who heard about last year's show from participants. Please let me know if you can volunteer to chair the event or participate on the committee; most of the work will be in getting new signs, publicity, and participants.

I want to give a special thank you to Diana Corvelle, who has done an outstanding job in getting fascinating presenters for each of our meetings. If you haven't been attending, you are missing out on the best art intelligence around.

Thanks you for all you do,  
Elaine
